REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art of record does not anticipate or render obvious the claimed compounds of the formula I, pharmaceutical compositions thereof, process for preparation thereof, a method of inhibiting Fab I therewith or a method of treating bacterial infections therewith. The closest prior art compounds are disclosed in U.S. Patent 5,932,743. The compounds disclosed therein differ from the claimed compounds in that the phenyl ring is not substituted with an amino group and a carbonylaminomethyl group. The reference provides no motivation to modify the compounds disclosed therein to arrive at the claimed compounds.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Fiona T. Powers whose telephone number is 703-308-4535. The examiner can normally be reached on Monday - Friday 8:30 AM to 5:00 PM.
